Subject: FINAL? Rollout Plan
Attachments: DRAFT OR 6217 Final Decison Rollout Plan_012415.docx

All--

See attached for an updated rollout plan. I made sure lang. describing the action "that OR has not submitted a fully approvable program" and the "penalties" was consistent with what I believe to be the final versions of that lang. we had worked out. It also includes some revisions to the first key message from our policy folks downtown and reorders one of the Q&As for better flow.

Please let me know if there are any fatal flaws by 12 ET today so I can send an updated version out to the bigger group.

Thanks,
Allison
